Fire Officer I

Fire Officer I is conducted on line through Target Solutions. The class runs for 3 weeks and includes 2 periodic exams, 1 final exam, 6 TCFP state skills tests, and 1 TCFP state proctored exam. All of the exams and skills evaluations will take place at the El Paso Fire Department Training Academy unless otherwise announced.

Scheduled Classes:

October 10, 2016 through October 28, 2016

Prerequisites: Basic Structural Fire Protection, Aircraft Rescue Fire Fighting, or Marine Fire Protection and Fire Service Instructor I certification.

Requirements: Complete a Fire Officer I training program and pass the certification exam.

A commission-approved* Fire Officer I training program consists of:

- Completion of the Fire Officer I curriculum as specified in file Chapter 9 of the commission's Certification Curriculum Manual; or
- Completion of an out-of-state, NFA, or military training program which has been submitted to the commission and which meets the minimum requirements; or
- Completion of the college courses listed in TAC §451.3(B)(iii).

Fire Instructor I

Fire Instructor I is conducted on line through Target Solutions. The class runs for 2 weeks and includes 1 periodic exam, 1 final exam, 6 TCFP state skills tests, and 1 TCFP state proctored exam. All of the exams and skills evaluations will take place at the El Paso Fire Department Training Academy unless otherwise announced.

"Delivering Outstanding Services"

EL PASO FIRE DEPARTMENT

Scheduled Classes:

October 31, 2016 through November 11, 2016

Prerequisite/Years of Experience: You must have a minimum of **three years** of experience in fire protection in a paid, volunteer, or regulated nongovernmental fire department; or in a department of a state agency, education institution or political subdivision that provides fire protection training.

Requirements: Complete a commission-approved* Fire Service Instructor I training program as outlined in Chapter 8 of the commission's Certification Curriculum Manual, and pass the certification exam.

You may also qualify for the certification exam if you can document that you have:

- A bachelor's degree or higher in education,
- A teaching certificate issued by the Texas State Board of Education, or
- An associate's degree with 12 semester hours of education instructional courses.

Fire Officer II

Fire Officer II is conducted on line through Target Solutions. The class runs for 3 weeks and includes 2 periodic exams, 1 final exam, 6 TCFP state skills tests, and 1 TCFP state proctored exam. All of the exams and skills evaluations will take place at the El Paso Fire Department Training Academy unless otherwise announced.

Scheduled Classes:

November 28, 2016 through December 16, 2016

Prerequisites: Basic Structural Fire Protection, Aircraft Rescue Fire Fighting, or Marine Fire Protection Personnel, Fire Service Instructor I and Fire Officer I certification.
